Imam W. Deen Mohammed Tafsir: Qur'an 96:1

"So when G-d says 'Read in the name of your Lord Who created,' it connects you with creation and then connects your needs as a creation... So what did G-d do? He took Muhammad and connected him with the created world..."

Imam W. Deen Mohammed Tafsir: Qur'an 96:1

"He said, 'Read in the name of your Lord Who created'...He is saying to us, **man is to be educated or know G-d's scheme, which is the highest knowledge you can get...to know himself and where he is in the creation, what he should be doing with his life in creation, then he has to address the human person...**"

Imam W. Deen Mohammed on Qur'an and Creation

"**The Qur'an makes it possible for the human intellect to connect back with the creation as G-d intended for the intellect to be connected with creation.** So, the Qur'an makes possible the connection,...therefore **the Qur'an is the key**, the miftah; the key **that opens up the creation again for man to get the proper benefit...**"

Imam W. Deen Mohammed on *Qur'an and Creation*

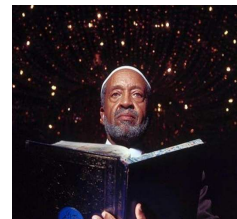

*"If G-d said in the Book that I'm giving you in it are verses, and then He says the world I made for you, it is verses, what is G-d saying? **Don't just study the Qur'an I gave you a Book before I gave you this Book (Qur'an) I gave you the Book of my creation. So study it (creation) like you study this Book...**"*

Imam W. Deen Mohammed on *Qur'an and Creation*

"...look for direction in it like you look for direction in this Book (Qur'an), look for meaning and purpose in it like you look for meaning and purpose in this Book. Look for revelation in it like you look for revelation in this Book..."
